

Quarterly MBQIP Data Report Updates

This document, updated quarterly, reflects the release of quarterly MBQIP data reports throughout the year.

1. On this page, **Page 1**, the two tables below show the most recent reports released and anticipated timing for the next report release. This information is provided for the two types of MBQIP reports: HCAHPS reports and MBQIP Measures reports.
2. **Page 2** outlines annual anticipated release timelines for both report types, as well as the measures updated within each report.

Timelines are based on anticipated dates of data receipt from CMS/CDC/FORHP and are subject to change based on data availability.
